WITH

YAM  
HAUS.

## **THANK YOU FOR YOUR INTEREST IN HOSTING A HAUS SHOW!**

We love Haus Shows because it offers us the chance to interact with our audience on a more personal level and offers the audience (and host) an up close, front row, and extremely unique musical experience.

Below is an overview of what we ask of you as a host, and what you can expect from us. Please let us know if you have any questions or would like any further details about how this works.

## **WHAT WE'D LOVE FROM YOU**

Your home or apartment should be relatively easy to locate, and hosts should be mindful of parking and neighborhood association rules that could present a problem. We can provide a tour poster for you to print out and hang on your door to let people know they are at the right place.

There should be a clean and open area for us to setup up. It doesn't have to be huge and we are happy to be squished together. Some pictures of the space will help us gauge what we'll bring.

We like to sell our merchandise at Haus Shows and can use any accessible area that is near the goings-on. We can use a table of yours or our 8' folding table.

The time from our arrival to our departure is usually somewhere around 6 hours. We're a bunch of hungry guys so a meal would be wonderful! Bonus points if there's a vegan option! Bottled water also helps us stay hydrated while performing.

Playing for an attentive and interactive audience makes these nights come to life. Dancing and singing along are definitely encouraged. Word on the street is we might take a few requests too!

### **WHAT YOU CAN EXPECT FROM US**

- We will provide our own sound equipment, including microphones, mic stands, PA, amps, etc.
- We will show up early to sound check and have everything prepared before your guests arrive.
- We generally perform anywhere between 75 to 90 minutes, but can accommodate any time restraints you might have.
- We will sing our hearts out and do our bests to give you and your guests a wonderful and memorable night!
- We will hang for a while afterwards to sell merchandise and mingle with all of the guests.

### **INTERESTED?**

Please reach out and ask about any questions that you have. If you think you want to host a Haus Show, we just need to find a date that works and get an email confirmation that you are cool with everything listed above. Then we can start promoting and preparing!

**Thanks so much!**
